The "Metafizika Journal" is published and edited under the auspices of "AcademyGate Publishing". The "Metafizika Journal" is part of the series of scholarly publications recommended by the "Higher Attestation Commission" under the President of the Republic of Azerbaijan in various academic fields. Articles are published in Azerbaijani, Russian, English, Turkish, Persian, and Arabic. The journal focuses on social and humanitarian sciences. The publication frequency of the journal adheres to a quarterly schedule. It follows a rigorous peer-review process, submitted articles undergo thorough evaluation, those meeting scholarly standards receive positive assessments. Such articles are recommended for publication. It is pertinent to recognize that authors' perspectives may diverge from the standpoint of the editor-in-chief.
